MEMORANDUM FOR: [redacted] 25X1
Chairman, SECOM Compartmentation Subcommittee

FROM: [redacted] 25X1
Chairman

SUBJECT: Security Guidance Against Terrorism for SCI
Indoctrinated Personnel [redacted] 25X1

REFERENCE: Air Force message, [redacted] 25X1
Security Advisory [redacted] 25X1

1. Paragraph 2 of the referent message states the need for SCI indoctrinated Air Force personnel to be briefed on terrorist threats during defensive security briefings. I agree that this should be done, and believe it should be applied to all SCI indoctrinated personnel. [redacted] 25X1

2. Please have your subcommittee review this matter and propose specific security policy or procedures for issuance to the Community by the DCI. Suitable vehicles for this policy would include the DCI "Security Policy Concerning Travel and Assignment of Personnel with Access to Sensitive Compartmented Information (SCI)," soon to be reissued as DCI Directive 1/20, and the DCI "Security Policy Manual for SCI Control Systems." The principal focus should continue to be the need to protect SCI from possible compromise resulting from the capture and interrogation of SCI indoctrinated personnel, or from the seizure of material from SCI couriers. [redacted] 25X1

3. An early response, but no later than 18 April 1984, is desired in order to incorporate proposed language in the forthcoming DCID 1/20. [redacted] 25X1
